

EXCHANGE OPTIONS - Level 2 / Year 2	
Students can choose one of our 12 UG Programmes	
* Students coming for the <u>Fall semester</u> only (September-February), must choose one programme and take all modules offered in the first semester from that programme. <i>Students cannot mix modules across courses without prior agreement with your home institution first</i>	
* Students coming for the <u>full year</u> must choose one programme and take all the modules offered in the first semester, they can then choose the modules they wish to take in the second semester from the same programme OR choose 3 modules from the final section of this form.	
* Students coming for the <u>Spring semester only</u> (February-June), can choose 3 modules from the final section of this form.	
For speciality courses (Accounting, Economics) students will need to show proof that they have appropriate knowledge of these subjects and	
*All course choices are subject to availability. Students are responsible for ensuring they have suitable pre-requisites to join modules. We do not allow students to change their modules after the semester has begun.
